Draft USEPA and USFWS Joint SevenHills - OFA edits-as.docx

DRAFT DELIBERTATIVE/INTERAGENCY REVIEW/DO NOT RELEASE

The public notice is posted.

Our edits to the joint letter are attached. The one highlighted sentence is still being discussed. It may be deleted. And we have to update one citation, we will send the attachments shortly.

Let's set up a call to discuss and figure out how to handle signature.

Marissa

Working on the final edits most have been style did have to remove one section, that will be likely addressed in our separate 404 letter. It went up to our Assistant Administrator at HQ who oversees NEPA. She thinks we made a strong case.

Wanted to find sometimes that would work to talk about the final letter (will email by end of day) an how to best handle signatures once the PN comes out.

Thanks!

Andrea
